## Notes

- Days for garbage collection differ according to living areas “ku” and/or “chonaikai”. Be sure to bring your garbage to the right place on the specified collection days by referring to the charts below. Furthermore, please note that the collection days may change during New Year Holidays.
- Garbage that does not observe the separation rule will not be collected, and will be left behind with a warning seal. Since this will cause problems among neighbors, please use specified bags and put out your garbage on the collection days and times. **Otherwise, an offender may be punished by the law.**
