Waste Separation and Recycling

Environment Division,
Toyoake City
QR Code for the Website

○Smaller than 60cm in length. You can dispose of your garbage from your home according to separation rules, using bags specified by the city. Please put the garbage at a designated location in your neighborhood by 8 am on the collection day.
○Garbage from stores, restaurants, offices, factories, and other business entities is not acceptable.

Notes

- Days for garbage collection differ according to living areas “ku” and/or “chonaikai”. Be sure to bring your garbage to the right place on the specified collection days by referring to the charts below. Furthermore, please note that the collection days may change during New Year Holidays.
- Garbage that does not observe the separation rule will not be collected, and will be left behind with a warning seal. Since this will cause problems among neighbors, please use specified bags and put out your garbage on the collection days and times. **Otherwise, an offender may be punished by the law.**
