

# Newly Established School Arrangements Committee

## Final edition

Published on March 12, 2021

**This is the final newsletter issued by the Toyoake City Futamuradai Area Newly-Established School Arrangements Committee.**

**From now, Futamuradai Primary School will plan various programs to ensure that its students can enjoy their school lives.**

The committee has held discussions and finalized various issues related to the new school, including the school name, school badge, school song, commute system, school mottoes/educational purposes, daily life rules/annual events, and rules and events of the PTA.

The 9th meeting of the Toyoake City Futamuradai Area Newly-Established School Arrangements Committee was held on January 14, 2021. At that meeting, the following issues were discussed and decided.

### ◇ School mottoes, educational purposes, daily life rules, and annual events

◎ School mottoes and educational purposes: Decisions will be made by the principals of Soho Primary School and Karatake Primary School and will be approved by the superintendent of education.

◎ Daily life rules and annual events: Representatives of both schools will discuss to decide them.

### ◇ Closing and opening

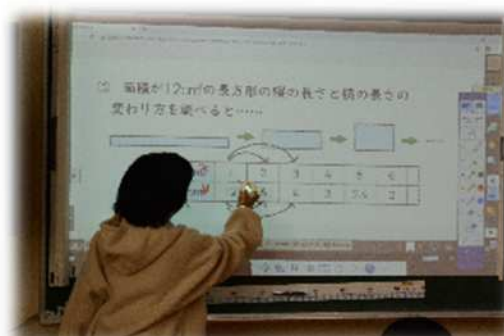

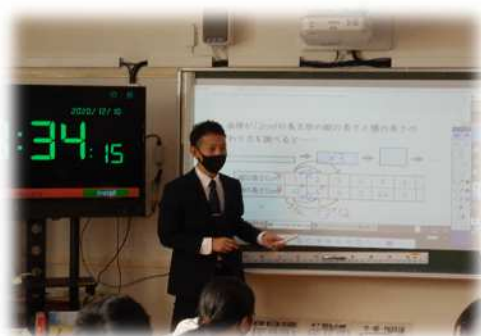

◎ The closing ceremonies of Soho Primary School and Karatake Primary School will be held before the closing of both schools in March.

◎ The opening ceremony of Futamuradai Primary School will be held in April.

### ◇ School Building Renovation Project

The project for fiscal 2020 has been nearly completed. Students will study in new classrooms, where cutting-edge electronic whiteboards with projectors have been installed to enable students to use their tablets for class activities. The renovation of the arts and craft room and the library is planned in and around the summer holidays in fiscal 2021.

### Arithmetic classes

### ◇ Activities to watch over children on their way to/from school

Since the students of Karatake Primary School will have to take different routes to Futamuradai Primary School, the PTA, local volunteers, and the Board of Education are preparing for activities to watch over students taking new routes to the school.
